PROFESSIONAL SUMMARY

A dynamic and innovative Software Engineer with 2+ years of professional experience in full-stack web development. Proven expertise in Angular, ASP.NET, and .NET Core, with a strong track record of delivering high-performance web applications. Committed to leveraging cutting-edge technologies to solve complex business challenges and drive digital transformation.

TECHNICAL SKILLS

Programming Languages: C#, TypeScript, JavaScript, Python, HTML, CSS, SQL
Frameworks & Technologies: Angular, ASP.NET MVC, .NET Core, React, REST API, Web Services, Web APIs
Tools & Platforms: Visual Studio, SQL Server, XAMPP, Firebase, Git, GitHub,Crystal Reports
Databases: SQL Server, Firebase Realtime Database, MySQL
Methodologies: Agile (Scrum), Continuous Integration/Continuous Deployment (CI/CD)

PROFESSIONAL EXPERIENCE

Software Engineer   Dec 2024 – Present
Clover Infotech Pvt Ltd   *Mumbai, Maharashtra*
  – Engineered high-performance web applications using Angular, TypeScript, Material UI, RxJS, APIs, microservices, CSS, HTML, JavaScript, demonstrating strong full-stack development capabilities
  – enhancing application reliability and user experience
  – Optimized application performance by 70% through advanced debugging and code refactoring techniques

Junior Software Developer   Aug 2022 – Dec 2024
Benchmark Computer Solutions Pvt Ltd   *Mumbai, Maharashtra*
  – Engineered high-performance web applications using Angular, C#, and ASP.NET, demonstrating strong full-stack development capabilities
  – Collaborated with cross-functional teams to resolve 50+ critical issues, enhancing application reliability and user experience
  – Implemented robust configuration management across 10+ projects, improving development workflow efficiency
  – Optimized application performance by 20% through advanced debugging and code refactoring techniques

PROFESSIONAL PROJECTS

REEnterPrise (Administrator) / *ASP.NET, C#, JavaScript, jQuery, SQL, AJAX*   2023-Present
  – Created and built new web applications with comprehensive administrative functionalities
  – Developed advanced TreeView and GridView components for enhanced data visualization
  – Designed and implemented RESTful APIs to support dynamic data interactions

Ayushakti (Healthcare Domain) / *Angular v.10, .NET Core, TypeScript, Crystal Report, SQL*   2022 – Present
  – Developed reusable grid components and dynamic forms for efficient workflow management
  – Designed RESTful APIs and implemented SQL procedures for comprehensive data handling
  – Integrated Crystal Reports for generating automated PDF-based reports

GCC Canteen (Canteen Management) / *MVC, C#, jQuery, SQL, AJAX*   2023
  – Built a robust canteen management system meeting all client specifications
  – Enhanced backend functionality with SQL database optimization and stored procedures

TMS (Logistics Management) / *MVC, C#, Razor View, SQL, AJAX, Crystal Report*   2023
  – Created modular forms with integrated Excel export functionality
  – Contributed to efficient report generation processes

PERSONAL PROJECTS

Invoice Generator / *React, JavaScript, HTML, CSS* Jan 2023 – Jan 2023
- Developed a responsive invoice generation website with PDF export capability
- Implemented dynamic layout adjustments for cross-device compatibility
- Hosted at Invoice Generator Website

StyleHub - Salon Booking App / *Android Studio,XML, Firebase, Razorpay* Sep 2020 – Jan 2021
- Created a salon appointment booking app increasing booking efficiency by 30%
- Integrated Firebase for real-time data management and Razorpay for secure payments

Online Book Store / *HTML, CSS, XAMPP* Oct 2021 – Nov 2021
- Developed a responsive e-commerce website for book ordering
- Implemented real-time database integration with dynamic shopping cart system

EDUCATION

Master of Computer Applications (MCA) 2023 – Present
IGNOU *Part-Time, Mumbai, Maharashtra*

Bachelor of Science in Computer Science 2019 – 2022
Mumbai University *Full-Time, Mumbai, Maharashtra*

PROFESSIONAL CERTIFICATIONS

- **ASP.NET MVC Development:** Advanced certification in web application development
- **Advanced Angular:** Certified through Great Learning in modern web technologies
